

Dear Performer,

in preparation for the Corridor 5 Conference and Workshop on the 9th of May I would like to give you some additional information regarding content and organisation:

Attached you can find the agenda for the conference. The working language is English, with Italian interpretation. **The conference takes place at the "Purple Room" in FieraMilano (Strada Statale del Sempione 28, 20017 RHO (MI)).**

The conference will be introduced by the Corridor 5 Workshop that starts at 11 o'clock at the Hungary-Corridor 5 stand. Corridor 5 Workshop aims at uniting stakeholders of the Corridor 5 cooperation initiative in order to define issues regarding inter-municipal relations. You are very welcome to take part at this Workshop, too.

**The Conference will start at 14.00** in the Purple Room. As stated in the agenda, each presenter has 10 minutes to underline her/his city's potentials. After the Conference you are kindly invited for an open discussion with the guests at the Hungary – Corridor 5 stand, where snacks and Hungarian wine will be served.

In your presentation I would suggest to focus on the following issues:

- development potentials of your city
- current high-scale projects going on
- uniqueness of your city/projects
- potentials for further cooperation

The Corridor 5 Conference is a business-oriented event where investors will be able to get acquainted with opportunities and benefits of the European-scale Corridor 5 region. Therefore we kindly ask you to formulate your conception in a concentrated and structured form.

Just in case, I would ask you to send me your mobile number. My mobile number is +36 20 288 9527.

If you do have any further questions, please do not hesitate to contact me.

Best regards,
